

## Welcome to Country Inn Milky House

Country Inn Milky House, nestled in the heart of Hokkaido's countryside, is a home away from home for busy city dwellers, adventurous travellers, and those who just need to escape. With a rustic wood interior and furniture made by the owner's own hand, you'll be feeling relaxed and at home in no time at all.

Opening in 1980, it has since received many guests over the years, both from elsewhere in Japan and abroad. A villa-style pension with all the amenities of a hotel but a homey atmosphere and sumptuous cuisine, Country Inn Milky House peacefully watches over Niseko's changing seasons.

*Come when you have a true love for the country,  
wilderness-style life.*

*With the tranquility of one's house,  
we are sure you will come again .*

It is our joy to introduce and share with all our guests the beauty of Hokkaido's nature and countryside.

We look forward to creating good memories for you that you'll look back on for years.
